

Privacy Policy

Who are we?

- Our website address is: <https://ssspatna.com/>
- This website is owned and managed by Software Services and Solutions
- Software Services and Solutions is committed to protecting the privacy of individuals who visit the website and who make use of the on-line facilities. To that effect, we have the following privacy policy in place with regard to the collection, use, and dissemination of personal information collected by this website. This document will help you understand the terms and conditions under which personal information is provided to this website. Please note that this policy is effective only within the Software Services and Solutions domain, and does not apply to websites that may be accessible from external links provided on various pages of this website. Also note that due to the very nature of internet technology and evolving threats, this policy may be updated from time to time. All such updates will be posted on the privacy policy page. In continuing to use this website, you indicate your acceptance of the terms and policies

- What personal data do we collect and why do we collect it?
- **Comments**
- When visitors leave comments on the site we may collect the data shown in the comments form, and also the visitor's IP address and browser user agent string to help spam detection

Media

- If you upload images to the website, you should avoid uploading images with embedded location data (EXIF GPS) included. Visitors to the website can download and extract any location data from images on the website

Contact forms

- Our website uses online forms where you may be asked to provide certain personal information. This is necessary to access certain services on the website (e.g. registrations). By filling out and submitting the

form you are understood to have consented to Software Services and Solutions storing and using the information for the purposes for which it has been provided

Cookies

- If you leave a comment on our site you may opt-in to saving your name, email address, and website in cookies. These are for your convenience so that you do not have to fill in your details again when you leave another comment. These cookies will last for one year
- If you have an account and you log in to this site, we may set a temporary cookie to determine if your browser accepts cookies. This cookie contains no personal data and is discarded when you close your browser
- When you log in, we may also set up several cookies to save your login information and your screen display choices. Login cookies last for two days, and screen options cookies last for a year.

Embedded content from other websites

- Articles on this site may include embedded content (e.g. videos, images, articles, etc.). Embedded content from other websites behaves in the exact same way as if the visitor has visited the other website
- These websites may collect data about you, use cookies, embed additional third-party tracking, and monitor your interaction with that embedded content, including tracing your interaction with the embedded content if you have an account and are logged in to that website

We share your data with...

Whenever a user registers to our website we collect user data such as Name, Number & Email address.

We may use that data to target Facebook, Google & LinkedIn ads and also to share a better experience to every user

How long do we retain data?

For users that register on our website (if any), we also store the personal information they provide in their user profile. All users can see, edit, or delete their personal information at any time (except they cannot change their username). Website administrators can also see and edit that information

What rights do you have over your data?

If you have an account on this site or have left comments, you can request to receive an exported file of the personal data we hold about you, including any data you have provided to us. You can also request

that we erase any personal data we hold about you. This does not include any data we are obliged to keep for administrative, legal, or security purposes

Additional information

Information Collection and Use

- While you can use parts of this website without providing any personal information, certain sections will only be accessible after you have registered with the website by providing specific data. These sections include, but are not limited to the application form, the entrance test, and a personal profile page. As a general rule, Software Services and Solutions will not sell, swap, rent, or otherwise disclose to any third party any such personal information for commercial purposes. Such information will be utilized only for the purpose stated. To accomplish such a purpose, Software Services and Solutions may disclose the information to its employees, consultants, and agents who have a legitimate need to know the information. Software Services and Solutions also reserves the right to disclose this information under special circumstances, including disclosures required by law, court order, or circumstances under which disclosure, in the sole discretion of Software Services and Solutions, is necessary to protect the legal rights, including the intellectual property rights, of Software Services and Solutions

How do we protect your data?

- Software Services and Solutions has security measures in place to protect the loss, misuse, and alteration of the information under our control. Unfortunately, due to the nature of Internet communications, no data transmission over the Internet can be guaranteed to be completely secure. While Software Services and Solutions remains committed to protecting the privacy of our users, we cannot ensure or warrant the security of any information you transmit to us, and you do so at your own risk. Once we receive your transmission, we make our best effort to ensure its security on our systems. We do so by using secure technology, however, we make no representations regarding the veracity of such measures
- We are using SSL on our website and everything which you send to us is with us and the data won't be shared with any third party

Targeted Advertisements

- Software Services and Solutions may display targeted, or interest-based offers to our customers. These offers will display as varying product banners. There is no personal or geoLocation information collected within these product banners to build a profile about your activities or that is shared with third-party advertising companies

- We also partner with third parties to manage our advertising on other websites. Our third-party partners may use technologies such as cookies to gather information about your activities on this Site and other websites in order to provide you with advertising based upon your browsing activities and interests and to measure advertising effectiveness

Changes to this privacy policy

If there are any changes to this privacy policy, Software Services and Solutions will replace this page with an updated version. We, therefore, recommend, that it is in the user's interest, to check the "Privacy Policy" page any time the user accesses our website so as to be aware of any changes which may occur from time to time

If you have any questions about security on our Website, you can email us at info@ssspatna.com
